“NOT LIKE US” – LYRICS

Psst, I see dead people
(Mustard on the beat, hoe)

Ayy, Mustard on the beat, hoe
Deebo, any rap nigga, he a free throw
Man down, call an amberlamps, tell him, "Breathe, bro"
Nail a nigga to the cross, he walk around like Teezo
What's up with these jabroni-ass niggas tryna see Compton?
The industry can hate me, fuck 'em all and they mama
How many opps you really got? I mean, it's too many options
I'm finna pass on this body, I'm John Stockton

Beat your ass and hide the Bible if God watchin'
Sometimes you gotta pop out and show niggas
Certified boogeyman, I'm the one that up the score with 'em
Walk him down, whole time I know he got some hoe in him
Pole on him, extort shit, bully, Death Row on him

Say, Drake, I hear you like 'em young
You better not ever go to cell block one
To any bitch that talk to him and they in love
Just make sure you hide your lil' sister from him
They tell me Chubbs the only one that get your hand-me-downs
And PARTY at the party, playin' with his nose now
And Baka got a weird case, why is he around?
Certified Lover Boy? Certified pedophiles

Wop, wop, wop, wop, wop, Dot, fuck 'em up
Wop, wop, wop, wop, wop, I'ma do my stuff
Why you trollin' like a bitch? Ain't you tired?
Tryna strike a chord and it's probably A-Minor

They not like us, they not like us, they not like us
They not like us, they not like us, they not like us

You think the Bay gon' let you disrespect Pac, nigga?
I think that Oakland show gon' be your last stop, nigga
Did Cole fouI, I don't know why you still pretendin'
What is the owl? Bird niggas and bird bitches, go
The audience not dumb
Shape the stories how you want, hey, Drake, they're not slow
Rabbit hole is still deep, I can go further, I promise
Ain't that somethin'? B-Rad stands for bitch
And you Malibu most wanted

Ain't no law, boy, you ballboy, fetch Gatorade or somethin'
Since 2009, I had this bitch jumpin'

You niggas'll get a wedgie, be flipped over your boxers
 What OVO for? The "Other Vaginal Option"? Pussy
 Nigga better straighten they posture, got famous all up in Compton
 Might write this for the docket, tell the pop star, "Quit hidin'"
 Fuck a caption, want action, no accident, and I'm hands-on
 He fuck around, get polished

Fucked on Wayne girl while he was in jail, that's connivin'
 Then get his face tatted like a bitch apologizin'
 I'm glad DeRoz' came home, y'all didn't deserve him neither
 From Alondra down to Central, nigga better not speak on Serena
 And your homeboy need subpoena, that predator move in flocks
 That name gotta be registered and placed on neighborhood watch
 I lean on you niggas like another line of Wock'
 Yeah, it's all eyes on me, and I'ma send it up to Pac, ayy

Put the wrong label on me, I'ma get 'em dropped, ayy
 Sweet Chin Music, and I won't pass the aux, ayy
 How many stocks do I really have in stock? Ayy
 One, two, three, four, five, plus five, ayy
 Devil is a lie, he a 69 God, ayy
 Freaky-ass niggas need to stay they ass inside, ayy
 Roll they ass up like a fresh pack of 'za, ayy
 City is back up, it's a must, we outside, ayy

They not like us, they not like us, they not like us
 They not like us, they not like us, they not like us

Once upon a time, all of us was in chains
 Homie still doubled down callin' us some slaves
 Atlanta was the Mecca, buildin' railroads and trains
 Bear with me for a second, let me put y'all on game
 The settlers was usin' town folk to make 'em richer
 Fast-forward, 2024, you got the same agenda
 You run to Atlanta when you need a check balance
 Let me break it down for you, this the real nigga challenge

You called Future when you didn't see the club (ayy, what?)
 Lil Baby helped you get your lingo up (what?)
 21 gave you false street cred
 Thug made you feel like you a slime in your head (ayy, what?)
 Quavo said you can be from Northside (what?)
 2 Chainz say you good, but he lied
 You run to Atlanta when you need a few dollars
 No, you not a colleague, you a fuckin' colonizer

The family matter, and the truth of the matter
 It was God's plan to show y'all the liar

Mm
Mm-mm
He a fan, he a fan, he a fan (mm)
He a fan, he a fan, he a-
Freaky-ass nigga, he a 69 God
Freaky-ass nigga, he a 69 God
Hey, hey, hey, hey, run for your life
Hey, hey, hey, hey, run for your life
Freaky-ass nigga, he a 69 God
Freaky-ass nigga, he a 69 God
Hey, hey, hey, hey, run for your life
Hey, hey, hey, hey, run for your life

Let me hear you say, "OV-hoe" (OV-hoe)
Say, "OV-hoe" (OV-hoe)
Then step this way, step that way
Then step this way, step that way

Are you my friend?
Are we locked in?
Then step this way, step that way
Then step this way, step that way
